Dear Mr. Southall:

This is to acknowledge receipt of your Comments/Letter of Protest to the Public Service Commission of South Carolina. Your Comments/Letter of Protest will be placed in the Protest File of the Docket listed below and on the Commission's Website at [www.psc.sc.gov](http://www.psc.sc.gov).

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Inc. for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Inc., as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you may specifically follow Docket No. 2017-370-E at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/116542>.

If we may be of further assistance to you, please do not hesitate to contact us.

Subject: SCANA & Santee-Cooper Hearings on Failed Nuclear Power Plants

Mr. Randall- I see that you are the guy who represents my district (Dorchester County/North Charleston). I sure hope that you vote to make sure that SCANA (SCE&G) & Santee-Cooper are the ones that pay for all this. Not 1 cent should be paid by me (us customers). + we need all the \$ we paid out returned. Not only that, you must not bail out either one of these utilities. If they go bankrupt, so be it, thats why the U.S.A has bankruptcy courts.

On another note, I sure hope you were not on the board in 2006 or was it 2007 that voted for this idiotic BLRA (Base Load Review Act) which to my understanding basically let these monopolies charge me (the customers) for building something I didn't want and charging me for it. #pretty bad. Dont let them get away with anything.
